HTML5, CSS3, LESS, SASS, Responsive, Bootstrap, Foundation, JavaScript, jQuery, Git, Scurm, ScrumMaster (Certified)

Graphic & Interface Design

Illustrator, Photoshop, UI/UX, wireframes, mockups, personas, brand identity

EXPERIENCE

SureID
April 2015 - Present

UI/UX Developer

Thrusted into a role as the lead UI/UX designer and developer for the RAPIDGate product line. Worked closely with Senior UI/UX members to learn processes and help develop UI standards for a product line with little design guidance. Designed and implemented two internal web based interfaces that utilize SASS and CSS3 Flexbox layout.

Dealer Spike
December 2010 - April2015

Lead Front-End Web Developer

Developed core responsive platform. Worked with HTML5, CSS3, Bootstrap and LESS to create a powerful themeing system to serve thousands of Powersports, RV and Marine dealerships nation wide.

- Worked with Development team to create core feature releases
- Created Front-End Development department standards
- Trained & Lead 11 Front-End Developers

Freelance
February 2003 - Present

Front-End Web Developer / Graphic Designer

Produced responsive websites with HTML5, CSS3, LESS, JavaScript, PHP and Grunt XAMPP, Apache, MySQL, cross-browser compatibility and fallback support.

"Ryan is the best web developer I have worked with! His creative and modern design is exactly what I was looking for. He went above and beyond during and after web site building process."
Shaina Inn – Owner, The Bowl & Berry
