Hello,

I am Ryan Chase, an User Experience Visual Designer and Front End Developer with over 10 years of experience. After reading your job posting, I believe we will be a strong match; as I have:

- An extensive knowledge of HTML5, CSS3, and JavaScript.
- Experience with mobile first and responsive design.
- Background in creating wireframes, prototypes, user flows, and storyboards, among other UX skills and tools.
- Excellent communication skills.
- Familiarity with Git and Agile environments.
- ScrumMaster Certification

You will find my LinkedIn profile at: https://www.linkedin.com/in/chasery/

Attached, is a PDF version of my resume which is also available on my portfolio at: www.chasery.com.

After you review my resume, I would like to set up a quick introductory call to asses our quality of fit.

Sincerely,
Ryan Chase
